turers of Dr. Sage's Catarrh
Remedy, for a case of cat-
arrh in the head which
they cannot cure.

SYMPOMS OF CATARRH.—Dull, heavy
headache, obstruction of the nasal passages,
discharge from the nose, either thin, watery,
sometimes profuse, watery, and acrid, at others
thick, tenacious, mucous, purulent, bloody and
putrid; the eyes are weak and watery; there is
a ringing in the ears, loss of taste, or
coughing to clear the throat, expectoration of
offensive matter, together with scabs from ulcers;
the voice is changed and has a nasal
twang; the breath is offensive; tongue
and taste are lost; there is a sense of fullness
with mental depression, a hacking cough
and general debility. Only a few of the above-
named symptoms are likely to be present in
any one case, but when they are present,
with one manifesting half of the above-sym-
ptoms, result in consumption and end in the
grave. No disease is so common, more de-
ceptive and dangerous, or less understood by phys-
icians.

Dr. Sage's Catarrh Remedy cures the worst
cases of Catarrh. "Cold in the Head,"
"Coryza, and Catarrhal Headache."

Sold by druggists everywhere; 50 cents.

"Entold Agony from Catarrh."

Prof. W. H. HARVEY, the famous merman, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and I was about to give up all hope, and died one that every day, toward sunset, my voice would become as hoarse I could barely speak above a whisper. In the morning my coughing and sneezing fit would begin again. By the use of Dr. Sage's Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RICHARDSON, Esq., 202 Pine Street, St. Louis, Mo., writes: "I was a chronic sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and it was often impossible to sleep at night, owing to the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I have now made the only sure cure for catarrh, and manufacturers of it have only to give it a fair trial to experience astounding results and permanence."

A complete Treatise on Catarrh, giving valuable hints to diet, dietetics, and other matters of interest, will be mailed, postpaid, to any address, on receipt of a two-cent postage stamp.
